

7<sup>th</sup> APRIL 2022

**NEW PRODUCT ANNOUNCEMENT**

Mikro would like to announce the following new models will be start selling and available for order. For new models information as below:

**1) DM 36 / 36V/ 36A**

Model Information:

	DM36	DM36V	DM36A
Phase voltage	√	√	-
Line voltage	√	√	-
Line current	√	-	√
Neutral current (Computed current)	√	-	√
Active power (kW)	√	-	-
True power factor	√	-	-
Displacement power factor	√	-	-
Total power factor	√	-	-
Frequency	√	√	√

Order Information:

Model	Description
DM36	Self-powered multi-function digital meter
DM36V	Self-powered digital voltmeter
DM36A	Auxiliary voltage 65 ~ 280 VAC digital ammeter

**2) RX380-415AD**

Order Information

Model	Description
RX 380- 415AD	Auxiliary Voltage 90 ~ 415V AC or 100 ~ 300 V DC, with RS 485

Feel free to call our sale team at 03-55253863 or visit [www.itmikro.com](http://www.itmikro.com) for more information.

Thank you for your attention and continue support.

Yours faithfully,
